Pet Lifetime Policy Wording

Welcome...

to PuffinInsurance.com

YOU MUST READ THIS DOCUMENT AND THE POLICY SCHEDULE TO ENSURE THIS PRODUCT MEETS YOUR DEMANDS AND NEEDS.

We're delighted to welcome you and your pet to PuffinInsurance.com. We know that pets aren't just animals, they are a part of the family.

PuffinInsurance.com is an annual policy to meet the cost of covering your pet for unexpected vet bills. It provides cover for treatment of injuries or illness and other expenses connected with protecting your pet.

The total cost of treatment for all conditions in a policy term can't be more than the vet fee limit. The vet fee limit is on your Policy Schedule. If the treatment is more than your vet fee limit, you will need to pay for the rest of the treatment in that policy term. Any illness or injury (including clinical signs) which happen before the policy starts aren't covered. These will be classed as pre-existing conditions, and you will need to pay for treatment for these.

This is a Lifetime policy, to continue to cover your pet you must renew cover for your pet. This includes the cost of ongoing conditions. The full vet fee limit chosen will be reset at each renewal.

This is a 12-month contract. We will send you an invitation to renew each year. If we can't offer cover, we'll let you know in good time. You will need to find cover with another company before your policy term ends.

It is important to note that the Policy Terms and Conditions can change over time. PuffinInsurance.com lifetime insurance can provide cover for conditions over the life of your pet. You must be able to afford to pay for your policy each year. The cost of the policy is likely to go up at renewal. This is based on the age of your pet, history of claims and other costs. Such as changes to cover and increases in the costs of vet bills. You will also need to consider that excesses may change as your pet gets older. For example: Based on pricing inflation in 2023 premiums can increase by 10% - 20% each year, for pets up to 10 years old. Higher increases could apply. For older pets, the renewal price could rise by 35% or more.

The law of England and Wales will apply to this contract. All information between you and us will be in English.

Explaining Key Terms of your Policy

Lifetime Policy

It's important you understand what we mean by Lifetime. We know this can be quite confusing, which is why we want to explain how our Lifetime Policy works.

This Lifetime Policy doesn't guarantee that we'll be able to provide cover for your pets' entire life.

Our Lifetime Policy is a 12-month annual contract. Subject to terms, conditions, and underwriting criteria. This 12-month period is called the Policy Term. If we decide we can continue to offer cover. We will send you an invitation to renew at the end of each policy term. You decide to accept by paying your premium (either monthly or annually). The policy will automatically renew, unless you tell us not to. The vet fee limit you chose will be reset.

As part of our annual review, we occasionally decide we can't offer to continue cover for your pet. This can be for a variety of reasons such as underwriting criteria and terms can change from time to time. This is rare. If it does happen, we'll be sure to tell you in good time. To give you time to find alternative cover before your policy term ends.

Pre-Existing Conditions

We do not cover any: illness, behavioural illness, injury or accident, that your pet had or showed clinical signs of having, before the policy started.

This includes illnesses and injuries that can happen again or may appear in different parts of your pet's body.

For example: Your pet had an ear infection in the left ear before your current policy started. Your insurance won't cover treatment for future infections in either ear. This applies even if you didn't claim under a previous policy. It also applies if the new infection is in the other ear.

Condition

If your pet develops a condition in one part of their body that they've had before in another part, we'll count it as the same condition. For example, your pet develops lipoma (a fatty lump) on their right leg. You take your pet to the vet for treatment and make a claim on your policy. Your pet then develops another lipoma on their back 6 months later. You take your pet to the vet again and make another claim. We'll consider this all as one condition. You'll only pay one excess, as we count this as one condition if it's in the same policy year.

Using this example, it's important to note: If your pet had the first lipoma before your policy started. We'll consider the second lipoma as a pre-existing condition.

Fixed and Percentage Excess

There is a fixed excess of £110 for vet fees. This is what you'll pay each policy year for each new condition or incident before we pay anything.

For Third Party Liability claims, the excess is £250.

If your pet is 7 or older, you'll also pay 20% of the remaining vet fees after the fixed excess.

If your pet is 12 or older, this goes up to 25%.

You may also choose to pay a 20% contribution if your pet is under age 7. Please see your policy schedule for the amount you'll pay.

This extra part is called a co-insurance payment.

If treatment continues into a new policy year, another fixed and percentage excess will apply.

Here's an example of how we work out what you'll need to pay if both a fixed and percentage excess apply to your claim.

Total Cost of Treatment		£1,500
Minus the excess you'll pay	£110	£1,390
Minus 20%	20% of £1,390 = £278.00	£1,112.00
Total amount we pay		£1,112.00
Total Paid by You	£110 + £278 = £388	

Following your vets' instructions

It's important to follow your vet's advice. We won't cover treatment if the problem could have been avoided.

Example: Your pet is known to eat things it shouldn't. Your vet says to keep rubber toys away from your pet. You don't, and your pet eats one. If surgery is needed, we won't pay for it — because it could have been prevented.

Premium Payment

Your pet is only covered if you keep your payments up to date.

If you pay for your policy monthly, we'll collect payments by direct debit.

We'll use the bank details you gave us when you took out the policy. Payments will be collected as per the schedule in your policy documents. You must keep your payments up to date to ensure your pet is covered under the policy. Even if you have made a claim or are waiting for a claim payment.

If we can't collect your payment the first time, we'll write to you. We'll try to take the payment again within 3-5 working days. If the second payment attempt fails, your policy will be scheduled for cancellation. We will write to you to tell you about this. If the payment is still not paid, your policy will be cancelled. It will be cancelled at the end of the month after the last successful payment was made. If you decide to cancel your policy, please refer to '[Cancelling Your Policy](#)' for full details.

Paying for the policy in full

Your pet is only covered if you keep your payments up to date.

If you pay for your annual cover in full each year, we'll use the same payment details you gave us at your last renewal. You must keep your annual payments up to date to ensure your pet is covered under the policy. Even if you have made a claim or are waiting for a claim payment.

To make sure there's no break in cover, we'll try to collect your payment on the 5th day after your renewal. If we can't collect your payment the first time, we'll write to you.

We'll let you know when we'll try to take the payment again. If the second payment attempt fails, your policy will be scheduled for cancellation. We will write to you to tell you about this. If you don't pay for your cover, your policy will not renew and there will be no cover from your renewal date.

If you decide to cancel your policy, please refer to the '[Cancelling Your Policy](#)' Section for full details.

Contract of Insurance

Your policy is the contract of insurance between **you** and **us**.

The following documents form the contract of insurance. Please read them and keep them safe;

- The Policy Terms and Conditions.
- The **Policy Schedule**
- Any changes to this insurance policy contained in notices issued by **us** at renewal.

In return for **you** paying for **your** policy, **we** will provide the cover shown on **your Policy Schedule**, subject to the Policy Terms and Conditions and any notices issued at renewal. Please refer to **your Policy Schedule** to confirm which sections of cover apply to **your pet**.

Please read the following sections:

[‘General Conditions Which Apply To the Whole Policy’](#)

[‘General Exclusions Which Apply To the Whole Policy’](#).

What do you need to make us aware of?

You must take reasonable care to give complete and accurate answers to the questions **we** ask.

This applies when **you** take out **your** policy, make changes to it, and when **you** renew it. Please read any assumptions carefully and confirm if they apply to **you** or **your pet**, or **your** circumstances.

Please tell PuffinInsurance.com immediately if any of the information changes, after **your** policy starts.

You must tell **us** if there are any changes to the information set out in **your Policy Schedule**. **You** must also tell PuffinInsurance.com immediately if any of the following changes take place:

- **You** change address.
- **You** change **your** bank details.
- **You** and **your pet** do not live at the **home** address **we** hold, for at least 10 months of the **policy term**.

- **Your pet** is microchipped.
- **You** sell **your pet** or transfer ownership of **your pet** to another person.
- **Your pet** is diagnosed with a **behavioural illness** or if **your pet** is a dog, there are any changes in their behaviour. For example (but not limited to) any **aggressive tendencies** or **aggressive behaviour** shown. Any **incidents** where **your** dog has caused **injury** to a person or another animal. Or any health **conditions** which may affect how **your** dog behaves.
- **Your pet** passes away.
- **Your pet** is over the age of 8 years for dogs and 10 years for cats at the start of **your** policy.

If **you** have any doubts, please contact PuffinInsurance.com who will be happy to help.

What happens with this information?

When PuffinInsurance.com is notified of a change, **they** will tell **you** if this affects **your** insurance. For example, if **we** are able to accept the change and/or if the change results in:

- Revised terms being applied to **your** policy, and/or
- The price **you** need to pay for **your** policy.

What happens if I don't make you aware of these changes?

If **you** do not inform **us** about a change, it can affect any claim **you** make, or the cover **we** provide **you**. If the information provided by **you** is not complete and accurate, **we** can;

- Revise the price **you** need to pay for **your** policy; and/or
- Cancel **your** policy; and/or
- Refuse to pay a claim; and/or
- Apply the correct terms/**excess**/price of the policy; and/or
- Exclude cover for a **pre-existing condition** or Third Party Liability.

What happens at renewal?

Each year **we** will review **your** policy. The review is based on the information **we** hold for both **you** and **your pet**. The renewal invitation is offered using the information held at the time it was issued. **We** can revise or withdraw renewal terms offered, if new information is brought to **our** attention. Even after **your** renewal invitation has been issued.

The benefit levels of this policy will be reset each **policy term**. Subject to renewal being invited and **you** paying for **your** policy. **Your payment** confirms **your** acceptance of the terms offered.

The cost of cover can change at each renewal. **We**'ll recalculate the cost of cover and contact **you** with a quote.

There are a number of factors that can change the cost at renewal, including:

- the age of **your pet**,
- claims history, and
- **our** view of the future costs of providing cover.

We may also consider the amount claimed and the likelihood a **condition** will be ongoing. This will mean that the premium **you** pay will increase at renewal.

If **you** find **you** are finding it hard to pay during the **policy term**, please contact PuffinInsurance.com. **We**'ll see how **we** can help **you** and **your pet**.

What changes can you make at the renewal of your policy?

At renewal, **we** can change:

- The price **you** pay, also known as the premium, and/or
- **Excesses** that **you** pay, and/or
- Policy Terms and Conditions

We may also advise **we** are unable to offer renewal terms.

For dogs, if there has been a change in their behaviour, **we** have the right to:

- Limit or remove cover for Third Party Liability,
- Cancel **your** policy, and/or
- Advise **we** are unable to offer renewal terms.

For example (but not limited to):

- Any **aggressive tendencies** and/or **aggressive behaviour** shown.
- Any **incidents** where **your** dog has caused **injury** to a person or another animal,
- Any health **conditions** which could affect how **your** dog behaves.

PuffinInsurance.com will always tell **you** before **your** renewal date of any changes. This gives **you** time to consider if **your** policy still meets **your** needs or to look for cover elsewhere.

You can change the level of cover that **you** have for **your pet** at renewal. This can only be changed to a lower level of cover. Once the cover level has changed this can't be changed back to any higher level of cover.

Cancelling this policy

Your right to cancel

You have the right to cancel **your** policy within 14 days of:

- the day **you** bought it,
- the day it renewed, or
- the day **you** got **your** policy or renewal documents. This is if they arrived after **you** bought or renewed the policy.

If **you** cancel during the first 14 days of **your policy term**, **you** will receive a full refund of any price **you've** paid. **Your** policy will cancel from the **start date**, and **you** won't be able to make any claims.

After the first 14 days of **your policy term**, **you** can still cancel **your** policy at any time. If a claim has been paid during the **policy term**, there will be no refund. If **you** pay monthly, **you** will need to pay the remaining price of **your pet** insurance.

If the claim is due to the death, loss, theft, or straying, then **we'll** only charge **you** for the cover **you** received.

If a claim hasn't been paid during the **policy term**, and **you** have paid the full price, **we'll** refund any premium to **you**, for the time **your pet** won't be covered.

When Paying by Annual Direct Debit

If a claim hasn't been paid during the **policy term**, and **you've** paid for the full year, **we'll** give **you** a refund for the time left on **your** policy.

Your pet's cover will end on the last day of the month when **you** ask to cancel. **You** won't be able to make any more claims after this date. If a claim is during the policy term, **you** won't get a refund. However, if the claim is due to the death, loss, theft, or straying, then **we'll** only charge **you** for the cover **you** received.

Example:

Cancellation requested on 2nd June. Cover will end on the 30th June. A refund of premiums between 1st July and the policy end date will be issued to **you**.

When Paying by Monthly Direct Debit

If **you** cancel after the first 14 days and haven't made a claim during the **policy term**, **we'll** cancel **your** policy. **We** won't take any more monthly **payments** for the rest of the policy year.

Your pet's cover will end on the date **your** next **payment** would have been due. **You** won't be able to make any new claims after this date.

Please only cancel **your** policy if **you're** sure **you** no longer need **pet** insurance.

If **you're** struggling to keep up with **payments**, please contact **us** — **we** may be able to help.

To cancel, email customerservice@puffininsurance.com or call on **0333 772 0346**.

If **you** don't tell **us** **you** want to cancel, **your** policy will stay active. **You'll** need to pay for the time **your pet** is still covered.

Our right to cancel

Your policy may be cancelled when there is a valid reason for doing so. **We'll** give **you** at least 7 days' written notice. This will be issued by PuffinInsurance.com to **your** last known postal and/or e-mail address telling **you our** reason for cancellation.

Valid reasons include but are not limited to the following:

- Non-**payment** of **your** policy, including non- **payment** of monthly instalments. (Refer to '[Premium Payment](#)' on page 7 for more details).
- Where **we** reasonably suspect fraud.
- Where **you** have not taken reasonable care to provide complete and accurate answers to the questions **we** ask.
- If **your** policy is cancelled or comes to an end for any other reason, all cover for **your pet** will stop on the date the policy is cancelled or ends. No further claims will be paid.

Fraud

Your policy could become invalid if **you** or someone acting for **you**:

- knowingly provide information to **us** that isn't true
- mislead **us** in any way to get insurance from **us**, obtain more favourable terms or a reduced premium

To avoid committing fraud, don't:
